INDEPENDENT AUDITOR'S REPORT

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of Cherokee County, Kansas, a Municipal Financial Reporting Entity, as of and for the year ended December 31, 2019 and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statement, the financial statement is prepared by Cherokee County, Kansas on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Cherokee County, Kansas as of December 31, 2019, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of Cherokee County, Kansas as of December 31, 2019, and the aggregate receipts and expenditures for the year ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, and schedule of regulatory basis receipts and disbursements – agency funds, (Schedules 1, 2 and 3 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures,

including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

Notes to Financial Statement

December 31, 2019

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

I.A. MUNICIPAL FINANCIAL REPORTING ENTITY

Cherokee County, Kansas (the "County") is a municipal corporation governed by an elected three member commission. This regulatory basis financial statement presents Cherokee County (the municipality) and selected related municipal entities because they were established to benefit the County and/or its constituents.

The related municipal entity section of this financial statement includes the financial data of the related municipal entities. The related municipal entities are reported separately to emphasize that they are legally separate from the County.

Included Related Municipal Entity

Sewer District No. 1. The District is a separate entity created by state statutes. The governing body of Cherokee County, which created the district, also serves as the districts' governing body.

Excluded Related Municipal Entities

Cherokee County Extension Council. The Cherokee County Extension Council provides services in such areas as agriculture, home economics and 4-H Club, to all persons in the County. The Council is governed by an elected executive board. The County annually levies taxes for the support of the Council.

Juvenile Detention Facility. Southeast Kansas Regional Juvenile Detention Center is a jointly governed organization between eleven counties in southeast Kansas created under an interlocal agreement. Southeast Kansas Regional Juvenile Detention Center is governed by a board appointed by the participating parties. Southeast Kansas Regional Juvenile Detention Center was established to operate a juvenile correctional facility located in Girard, Kansas. The primary source of funding for Southeast Kansas Regional Juvenile Detention Center is from the participating parties with additional support from grants. Cherokee County has no equity interest nor does the County materially contribute to the continued existence of Southeast Kansas Regional Juvenile Detention Center.

CHEROKEE COUNTY, KANSAS

Notes to Financial Statement

December 31, 2019

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

I.B. REGULATORY BASIS FUND TYPES

The accounts of the County are organized into funds each of which is considered to be a separate accounting entity. The operations of each fund are summarized by providing a separate set of self-balancing accounts. The following funds are used by the County:

General Fund – the main operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose Fund – used to account for the proceeds of specific tax levies and other specific regulatory revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest Fund – used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Agency Fund – funds used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.)

I.C. BASIS OF ACCOUNTING

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The *Kansas Municipal Audit and Accounting Guides* (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows, other than those mentioned above.

The municipality has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the municipality to use the regulatory basis of accounting.

CHEROKEE COUNTY, KANSAS

Notes to Financial Statement

December 31, 2019

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

I.D. BUDGETARY INFORMATION

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison statements are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

CHEROKEE COUNTY, KANSAS

Notes to Financial Statement

December 31, 2019

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

I.D. BUDGETARY INFORMATION (CONTINUED)

A legal operating budget is not required for capital projects funds, trust funds, federal and state grants, permanent funds, and certain special purpose funds as noted in the presentation of the appropriate Schedule 2.

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

I.E. ASSETS AND LIABILITIES

I.E.1. Cash and Investments

The County Treasurer pools cash and investments of various funds to facilitate the management of cash. Cash applicable to a particular fund is readily identifiable. The balance in the pooled cash accounts is available to meet current operating needs. Cash in excess of current needs is invested in time deposits. Additional cash and investment information is presented in Note III.A.

I.E.2. Compensated Absences

The County's policy regarding vacation and sick pay provide employees a maximum of four weeks' vacation after 12 years of employment and sick leave accumulation at one day per month with an unlimited accumulation. Employees are paid for all unused vacation days at December 31st. No vacation days are carried forward. Sick leave is carried forward at a maximum of 720 hours at December 31st. The Employee is paid for their sick leave in excess of 720 hours at December 31st. Employees are paid for ½ of their sick leave upon termination when they retire if certain requirements are met.

CHEROKEE COUNTY, KANSAS

Notes to Financial Statement

December 31, 2019

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

I.F. RECEIPTS AND EXPENDITURES

I.F.1. Sales Tax

Cherokee County levies a one and one-half percent (1 ½%) sales tax on taxable sales within the County. The tax is collected by the Kansas Department of Revenue and remitted to the County. The tax is placed in the general fund to provide County services. One-half percent (1/2%) or one-third (1/3) of the sales tax collected is restricted and is to be used to retire the debt incurred to construct and furnish the law enforcement and detention facility. The law enforcement and detention facility sales tax ceases when the debt is retires. Final payment is to be made December 1, 2020.

I.F.2. Property Tax

Property taxes are an enforceable lien on property as of January 1. Taxes are levied on November 1 and are due and payable one-half on December 20th and one-half on May 10th the ensuing year. Unpaid taxes become delinquent after the due dates.

The assessed valuation of tangible property for the calendar year 2019 for purposes of taxation was \$177,184,808.

The tax levy per \$100.00 of assessed valuation of tangible property for the calendar year was \$5.17. The levy is composed of the sum of the legal tax levies for all funds with authorized levies.

The County bills and collects its own property taxes. Collection of current year property tax by the County Treasurer is not completed, apportioned nor distributed to the various subdivisions until the succeeding year, such procedure being in conformity with governing state Statutes.

It is not practicable to apportion taxes held by the County Treasurer at the end of the audit period and, further, the amounts thereof are not material in relationship to the financial statements taken as a whole.

I.F.3. Reimbursements

Cherokee County, Kansas records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as a receipt to the fund that receives the reimbursement. For purposes of budgetary comparison, the expenditures are properly offset by the reimbursements under KMAAG regulatory basis accounting.

CHEROKEE COUNTY, KANSAS

Notes to Financial Statement

December 31, 2019

II. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

II.A. COMPLIANCE WITH STATE STATUTES

The County Clerk does not maintain records of each fund's indebtedness. (K.S.A. 10-1117)

The County Clerk does not maintain records showing budget balance available for appropriation. (K.S.A. 79-2934)

The Elderly Services, Special Alcohol and SPIDER Program Fund expenditures exceeded the budget. (K.S.A. 79-2935)

Unclaimed property is to be disposed of properly and required reports filed with the state treasurer. (K.S.A. 58-3934 *et seq*).

Expenditures were not made in compliance with the cash basis law in the Road and Bridge Fund which requires that no indebtedness be created for a fund in excess of available monies in that fund. (K.S.A. 10-1113).

The County Attorney does not give approval of claims presented for payment. (K.S.A. 19-716)

CHEROKEE COUNTY, KANSAS

Notes to Financial Statement

December 31, 2019

III. DETAILED NOTES ON FUNDS AND ACCOUNTS

III. A. DEPOSITS AND INVESTMENTS

K.S.A. 9-1401 establishes the depositories which may be used by the County. The statute requires banks eligible to hold the County's funds have a main or branch bank in the county in which the municipality is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The County has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the County's and its' related municipal entities investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The County has no investment policy that would further limit its investment choices.

Concentration of Credit Risk - State statutes place no limit on the amount the County may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial Credit Risk – Deposits – Custodial credit risk is the risk that in the event of a bank failure, the County's deposits may not be returned to it. State statutes require the County's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. The County has not designated "peak periods".

At December 31, 2019, the County's carrying amount of deposits was \$19,724,512 and the bank balance was \$19,764,767. Ninety three percent of the bank balance was held by one bank resulting in a concentration of credit risk. Of the bank balance, \$1,162,659 was covered by federal depository insurance, and \$18,602,108 was covered by securities pledged by the financial institutions and held by the pledging financial institutions' agents in the County's name.

CHEROKEE COUNTY, KANSAS

Notes to Financial Statement

December 31, 2019

III. DETAILED NOTES ON FUNDS AND ACCOUNTS (CONTINUED)

III. A. DEPOSITS AND INVESTMENTS (CONTINUED)

As of December 31, 2019, the County had the following investments:

<u>Investment Type</u>	<u>Maturities</u>	<u>Cost</u>	<u>Fair Value</u>
Open-ended Mutual Fund Federated Government Obligations Fund #395	Less than 1 year	\$ 10	\$ 10

Custodial credit risk – For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the County will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments too be adequately secured. The above investments are made and held by Security Bank of Kansas City as trustee for the Certificates of Participation LPA, Series 2017. These investments are not bank deposits and are not covered by FDIC insurance.

Interest rate risk – Investment interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The County does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from changes in interest rates.

CHEROKEE COUNTY, KANSAS

Notes to Financial Statement

December 31, 2019

III. DETAILED NOTES ON FUNDS AND ACCOUNTS (CONTINUED)

III. A. DEPOSITS AND INVESTMENTS (CONTINUED)

III. A.I. Restricted Assets

VI. PENSION PLAN

Plan description

Cherokee County, Kansas participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publically available financial report that includes financial statements and required supplementary information. KPERS's financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions

K.S.A. 74-4919 and 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009 and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

CHEROKEE COUNTY, KANSAS

Notes to Financial Statement

December 31, 2019

VI. PENSION PLAN (CONTINUED)

Contributions (Continued)

State law provides that the employer contribution rates for KPERS 1, KPERS 2, KPERS 3 and KP&F be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 8.89% for KPERS and 22.13% for KP&F for the fiscal year ended December 31, 2019. Contributions to the pension plan from Cherokee County, Kansas were \$356,388 for KPERS and \$211,235 for KP&F for the year ended December 31, 2019.

Net Pension Liability

At December 31, 2019, Cherokee County, Kansas's proportionate share of the collective net pension liability reported by KPERS was \$3,092,106 and \$1,729,906 for KP&F. The net pension liability was measured as of June 30, 2019, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2018, which was rolled forward to June 30, 2019. Cherokee County, Kansas's proportion of the net pension liability was based on the ratio of Cherokee County, Kansas's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

VII. RISK MANAGEMENT

Cherokee County, Kansas is exposed to various risks of loss related to torts; theft of; damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The County has been unable to obtain general liability insurance at a cost it considered to be economically justifiable. For this reason, the County joined together with other counties in the state to participate in the Kansas County Association Multi-Line Pool (KCAMP) and the Kansas Workers' Risk Cooperative for Counties (KWORC), public entity risk pools currently operating as common risk management and insurance programs for participating members.

CHEROKEE COUNTY, KANSAS

Notes to Financial Statement

December 31, 2019

VII. RISK MANAGEMENT (CONTINUED)

The County pays an annual premium to KCAMP for its general insurance coverage. The agreement for formation of the Kansas County Association Multi-Line Pool provides that the pool will be self-sustaining through member premiums and will reinsure through commercial companies for claims in excess of stated amounts for each insured event. The County also participates in the Kansas Workers' Risk Cooperative for Counties (KWORC), a public entity risk pool which generates as a common risk management and insurance program for members. The County pays an annual premium to KWORC for workers' compensation coverage. Additional premiums maybe due if total claims for the pools are different than what have been anticipated by KCAMP and KWORC management.

The County continues to carry commercial insurance for all other risk of loss. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

VIII. OTHER POST EMPLOYMENT BENEFITS

As provided by K.S.A. 12-5040, the County allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the County is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Reconciliation Act (COBRA), the County makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

IX. SELF-INSURANCE PROGRAM

Cherokee County, Kansas has established a self-insured health plan for all its employees. Cherokee County, Kansas has purchased stop-loss insurance in order to limit its exposure, which will reimburse Cherokee County, Kansas for individual claims in excess of \$35,000 annually or aggregate claims exceeding \$1,000,000 annually.

CHEROKEE COUNTY, KANSAS

Notes to Financial Statement

December 31, 2019

X. LITIGATION

The County is party to various legal proceedings which normally occur in governmental operations. While the outcome of such proceedings cannot be predicted, due to insurance maintained by the County, the County feels that any settlement or judgment not covered by insurance would not have a material adverse effect on the financial condition of the County.

XI. GRANT PROGRAM INVOLVEMENT

In the normal course of operations, the County participates in various federal or state grant/loan programs from year to year. The grant/loan programs are often subject to additional audits by agents of the granting or loaning agency, the purpose of which is to ensure compliance with the specific conditions of the grant or loan. Any liability for reimbursement which may arise as a result of these audits cannot be reasonably determined at this time, although it is believed the amount, if any, would not be material.

XII. SUBSEQUENT EVENTS

The Coronavirus (COVID-19) outbreak in the United States has resulted in reduced customer traffic and the temporary closure of operating hours for our offices. There is unprecedented uncertainty surrounding the duration of the pandemic, its potential economic ramifications, and any government actions to mitigate them. Accordingly, while management cannot quantify the financial and other impact to the County as of the date of this report, management believes that a material impact on the County's financial position and results of future operations is reasonably possible.

Management has evaluated the effects on the financial statement of subsequent events occurring through the date of this report, which is the date at which the financial statement was available to be issued.
